CHIDLOW TAVERN'S *BEYOND BLUE* CAR CRUISE 2019

On December 1st, 2019 the Chidlow Tavern is hosting a community fundraiser, 'Chidlow Tavern's Car Cruise proudly supporting Beyond Blue'.

This event is designed to raise financial support for the life-saving work carried out by Beyond Blue. We are inviting anyone and everyone to participate in the event. If you could be our guest it will help make our 3rd annual event the biggest yet, reach even more people and spread awareness for this worthy charity.

The day will include clubs cruising in *(from a route of their choice)* to the Tavern between 11am and 12pm. This event is open to all cars, we just ask that blue cars lead the cruise. We will be holding a Blue Car Show & Shine, and an auction which will include items made by our local businesses and organisations, live entertainment, markets and more.

To make this event as successful as possible, we are seeking support from generous people and organisations like yours. Any support you can extend to our event from simply sharing our Car Show on social media to attending on the day or donating via the link on this page will benefit our fundraising efforts.

If you are interested in being part of our market, bringing a trade stall or providing entertainment, then please get in touch as we would love to work with you.

Alternatively, you can get involved by donating items for the Auction, awards for the car show or raffle prizes. 100% of funds raised by these activities are donated so your kindliness is so meaningful.

Please let us know if you are able to join, or to offer your support in any other way.

CAFE UPS THE ANTE AFTER EMBRACING LAST STRAW PROJECT

IT has been almost a year since Lake Leschenaultia's Reflections Cafe joined The Last Straw project and its success has inspired the team to explore other ways to reduce waste.

Cafe co-ordinator Leonie Ettridge said since committing to help end the use of disposable plastic straws – by offering patrons a paper straw or no straw at all – in November 2018, the overall response from customers had been positive.

Reflections Cafe staff Michelle Prescott and Amy Ettridge with some of the compostable packaging used at the cafe

"We no longer have straws out on the front counter and estimate that we have halved the number of straws we give out," she said.

"We've also taken quite a few extra steps to reduce waste beyond plastic straws."

These include providing reusable metal straws for sale and using minimal amounts of cling wrap, zip lock bags and other single use plastics in the kitchen and Cafe.

"By choosing reusable containers for fridge/freezer storage, where possible, it has meant that we use almost zero cling wrap and zip lock bags now," Ms Ettridge added.

Staff have also been collecting soft plastic waste to go to RedCycle drop off points; introduced compostable packaging for takeaway food and drinks *(including coffee/cold drink cups and lids, chip boxes, napkins, straws and more)* and provided a bin exclusively for the collection of the Cafe's compostable packaging.

Ms Ettridge said the contents of this bin were passed on to a local not for profit organisation to be turned into compost.

Kitchen food scraps and coffee grounds are not forgotten either. They are collected and sorted every day the Café is open and periodically delivered to the not for profit.

Ms Ettridge added that she and the staff had enjoyed taking on the challenge of minimising the amount of waste the business produced.

"More than half of the Cafe's waste is now being composted rather than finding its way to landfill," she added.

"We have found it to be very rewarding, both from customer feedback when they are informed about our special packaging, and even just knowing that we are doing our bit!

"We will continue to introduce more compostable packaging as what remains of our old packaging runs out, and aim for our Cafe to eventually have 100% compostable packaging."

clear our list of requested hazard reduction burns. We have completed six brigade burns, sometimes with multiple visits, and helped with three Shire burns in the months of September and October. The arrival of more rain in early November may mean we can keep burning a little longer yet, and each HRB will be another step toward making our community safer this coming fire season. HRBs require a lot of hands on deck, and the Mt Helena Deli provided many delicious lunches, but between us all, we've achieved a great deal of work!

The Restricted Burning Period will close at the end of November, and then we will be into the Prohibited Burning Period of summer. Even though we have had some rain, you might be surprised how dry the soil underneath will still be, so please continue to be sensible with your burning and keep an ear out for the possibility of the Restricted Period ending sooner than usual. For all information about when and how you can burn, search, *"Shire of Mundaring Burning Periods."*

A last extra sending of best wishes and *'come home safe,'* to our distant Firey mates in NSW, *and thats all for this month!*

MUNDARING ARTS CENTRE & MIDLAND JUNCTION ARTS CENTRE

MUNDARING ARTS CENTRE

Artists Stephanie Hammill and Andrea Vinkovic present complex and unconventional, yet beautiful ceramics in Surface Tension, currently on display at Mundaring Arts Centre.

The exhibition explores how clay transforms when interacting with other materials and echoes the journey of discovery, collaboration and skill sharing these senior practitioners have undertaken over the past two years.

12-20 year olds can join Andrea Vinkovic to hand build a sculpture in clay in a workshop on Sunday 24 November.

Also on display, the Mundaring Environmental Art Project presents works from local primary school students that explore the theme Things with Wings. Their artwork explores the role of the pollinator focusing on local native birds, insects and bats. Both exhibitions continue until 22 December.

MIDLAND JUNCTION ARTS CENTRE

Depicting the Western Australian landscape, Susan Ecker's new solo exhibition Elements Form blurs the distinction between drawing and painting. Ecker's luminous mixed media canvases capture changing light and the passing of time to evoke abstract memories of place.

A curated selection of artworks produced at Midland Junction Arts Centre throughout the year are also on display as part of Made Here By Hand. The exhibitions presents painting, printmaking, ceramics, textiles and more from a variety of workshops which are presented by professional artists and engage both children and adults.

Both exhibitions are on display until 14 December.

Interested in taking part in MJACs creative workshop program?

A number of new workshops begin this November including figure drawing with Ryan Ahern, oil painting with Harrison See, wheel throwing with Lee Woodcock and printmaking with Phoebe Todd-Parrish.

MOUNT HELENA CLASSIC

incorporating the Whim Festival and Hills Billy Cart Festival

Sunday August 27th marked the birth of the Mount Helena Classic which was organised by the Mount Helena Residents and Ratepayers Progress Association. This was essentially a new festival that combined the Whim Festival and the Hills Billy Cart Festival into one glorious event that will hopefully be on the calendar for many years to come.

It was a hot day but the crowds came from far and wide to experience the excitement of the billy cart racing and the pleasures of a genuine community fair set in the picturesque Mount Helena town site. There was great music, turn back time attractions, local community organisations and a wide array of food. With over one hundred stalls and children's activities and games on the Park there was plenty for everyone to see and do. The new Pop-up-Pics in our photography section attracted some really good shots that can be seen on the Facebook at A Whim Festival as well as dozens of shots taken of both the Whim and the Billy Carts.

On the race course there were thrills, spills and plenty of excitement for competitors and spectators alike. Not only were families on the course but also some of our local sporting and service organisations.

The festival was opened by the Deputy Premier the Hon Roger Cook MLA, along with our Local MLA Jessica Shaw. The *"Premier's choice"* award for his favourite cart went to Niamh Tester for Brumby.

Although the Classic is the brain child of the Mount Helena Ratepayers, we could never have done it without our wonderful sponsors and volunteers. The Shire of Mundaring was involved every inch of our journey – keeping an eagle eye on our set up; providing funding; polishing the park and the town and even sorting out an electricity problem on the Sunday! We thank the officers and councillors for the support we often tend to take for granted.

Funding came from Lotterywest, Healthways, Perth Airport, Swan Chamber of Commerce, Shannons and local people. We had much in-kind support from Perth businesses including Matic Transport, Hanssen, QTM, Di Candilo Steel. Feet on the ground were supplied by a big team from Shalom House, the local volunteer fireys and SES plus all the dozens of individuals who did everything from organising children's activities to providing and driving the fork lift. Virtue is its own reward, but we hope you had as much fun as we did.

Special thanks are also due to Bendigo Bank for that brilliant raffle idea but also to the wonderful women of the Treehouse.

ANTIQUES ROADSHOW
Sunday 17th November

Let's take a trip down memory lane, with antiques as a bridge connecting generations of our family together. Every antique has its own story and each one is beautiful, unique as a fingerprint. With expert guidance, they are the key to unlocking the secrets of our past. Once understood, antiques become more than furniture, they hold our family history, they are the hand-crafted legacy of our great grandparents.

So, let's take a walk in their shoes, journey through the bygone eras and embrace our ancestors, for in the simple truth *- all we are, is because of all they were…*

Join us Sunday 17th November from 10am at the Chidlow Tavern and celebrate the best of yesterday at The Chidlow Antiques Roadshow, with Antique experts, local traditional craftsman giving demonstrations and talks, learn all about the different hobbies and crafts from those who keep them alive. The tavern will be open all day for food and drinks and welcomes families.

What sort of items can people bring? Really the list is endless, and a short answer is an item around 100 years or older. This includes jewellery, ceramics, pottery, furniture, glass, bottles, tins, signs, farm or gardening equipment, art, Australiana, stamps, postcards and memorabilia Collectables, Aboriginal, Silver, etc.

Details on Valuations-

Then there's the stories of great luck, the ones that have gone unrecognised. Contact the Chidlow Tavern today and book your spot with an Expert. We will be joined by the wonderful Donelly's Auctioneers. These are some of Perth's highest regarded experts in their field and are a fountain of knowledge on all aspects of Antiques.

Make a booking to bring your item on the day, the expert will spend around 10 minutes appraising your item and answer your questions, these are $5 per item.

You are welcome to bring multiple items or use both options of different items however they must be booked as separate items; you can't use the 1-time slot for multiple items. To book your valuation or for more information, please email katie@chidlowtavern.com.au, ring 95724154 or send us a Facebook message *(@chidlowtavern)*

SHIRE UNVEILS EXCITING NEW SUMMER OF ENTERTAINMENT LINE UP

LOCAL residents can once again enjoy free entertainment close to home this summer with the Shire's revitalised events program. This expanded series was developed in response to community requests to bring bigger and better activities to the local area.

The *'Summer of Entertainment Community Events Series'*, which kicks off in December, incorporates the Shire's popular long-standing Cinema Under Starlight program with new initiative, Twilight Tunes, a range of concerts to be held at Mundaring Sculpture Park Amphitheatre.

With eight free events planned, the new expanded community event calendar will provide opportunities for Hills residents to come together in a casual setting and enjoy a family evening without having to travel far from home.

Continuing through to March, the series will feature four Cinema Under Starlight movies and four Twilight Tunes concerts including a special Australia Day concert and light show.

Shire President John Daw said the events were a great opportunity for families to come together and enjoy a night out.

"This fantastic series will provide an opportunity for local musicians to showcase their talents and a platform for community groups and businesses to reach a wider audience," Cr Daw said.

"What better way to spend a summer's night than watching a movie or enjoying a concert under the stars with your family and friends while supporting local business."

The new series has been made possible thanks to partnerships with Perth Airport Corporation, Lotterywest, Mundaring Community Bank Branch of Bendigo Bank and the Mundaring Chamber of Commerce.

For the first time residents of the Shire will be able to register for their free tickets via an online booking system hosted by the Mundaring Chamber of Commerce. As an incentive to register for free tickets, prizes will be offered.

To win an *'early bird'* registration prize, the ticket holder will need to be present at the event. Prizes for Cinema Under Starlight include seating for two in a VIP area, with prime viewing, bean bag chairs and a tasting plate courtesy of Café Mojo.

Prizes for Twilight Tunes include a $50.00 voucher for use at a *local eatery with a family prize pack on offer for early registration for the Australia Day Concert.*

Additionally the Chamber will liaise with local hospitality businesses to provide meal deals for event patrons including pre-ordered picnic hampers to be collected at the vendor prior to the event. Businesses offering specials will be asked to display blue lights in their windows over the summer period to identify themselves as participants.

The 2019/20 Summer of Entertainment Series program includes the following events:

Twilight Tunes at Mundaring Sculpture Park Amphitheatre

1 December
Indigenous music concert
26 January
Australia Day concert and light show
16 February
Blues and Folk music concert
1 March
Jazz concert
Cinema Under Starlight
7 December
Boya Oval - Get Santa (G)
11 January
Chidlow Oval - Mary Poppins Returns (G)
22 February
Glen Forrest Oval
Secret Life of Pets 2 (PG)
7 March

The format for each of the cinema components remains the same as that of previous years with gates opening at 6pm and movies starting at sunset. Twilight Tunes concerts will be commence at 4pm with the exception of the Australia Day concert, which will commence at 6pm. People attending the series are encouraged to bring a blanket and/or low-backed chairs to sit on.

Details of each event will be posted on the Shire's Facebook page. Simply follow the Shire on Facebook, log into the Shire's online engagement portal engage.mundaring.wa.gov.au or visit www.mundaring.wa.gov.au or call 9290 6718 for more information.

HASLUCK WASTE FACILITY LEADING THE CHARGE ON RECYCLING

Federal Member for Hasluck, the Hon Ken Wyatt AM MP recently toured the Hazelmere Resource Recovery Centre, run by the East Metropolitan Regional Council (EMRC) with Assistant Minister for Waste Reduction and Environmental Management, the Hon Trevor Evans MP.

The Hazelmere facility focuses on recycling mattress and timber waste, with the aim of processing the materials to be reused, instead of contributing to landfill levels.

"The EMRC, through their Hazelmere facility are giving a second life to materials, which would have otherwise filled our local landfills." Mr Wyatt said.

"It is very important that we continue to develop initiatives, where waste materials can be recycled to fill the demand of another industry.

"Not only should we continue to recycle, but we must educate our future generations on the importance of building a sustainable society, conscious of our environmental footprint".

Assistant Minister for Waste Reduction and Environmental Management, Trevor Evans MP, said that he *"commends the local council and the local communities for taking a truly regional approach to addressing the challenges around recycling."*

"I would encourage other local governments around Australia to consider taking a regional approach to achieve the scale necessary to create the circular economy," Mr Evans said.

"I look forward to the upcoming Meeting of Environment Ministers in Adelaide this week, which provides an opportunity for governments to set procurement targets and grow the market for recycled products in Australia, which will help support the future of fantastic facilities like this one."

The Hazelmere facility is one of the facilities under the EMRC's Resource Recovery project which contributes to sustainable waste management for Hasluck and the surrounding regions.

COMMEMORATING REMEMBRANCE DAY 2019

Federal Member for Hasluck, The Hon Ken Wyatt AM MP is encouraging the local community to remember the Australian service men and women who have suffered and died in wars, conflicts and peacekeeping operations this Remembrance Day.

"Every year at the 11th hour of the 11th day of the 11th month, we mark Remembrance Day because it was at this time and date in 1918 that the guns fell silent on the Western Front, officially ending the First World War," Mr Wyatt said.

"The war came at a great cost for Australia, with more than 60,000 service men and women not returning home, from the 416,000 who enlisted.

"This affected every community, large and small, across the country, in what was a very young nation at that time.

"Today more than 102,000 names are listed on the Australian War Memorial's Roll of Honour in Canberra to honouring lives lost at war. It is vital we continue to remember their service and sacrifice.

"It is incredibly important to instil an ongoing sense of remembrance and respect in future generations of Australians so our current and former serving defence personnel and their families know their sacrifices are honoured, now and into the future."

We remind all Australians, including our younger generations, to continue the Remembrance Day tradition and pay tribute to those who have proudly served our nation in wars, conflicts and peacekeeping operations by attending a local commemorative service and wearing a red poppy in honour of the sacrifices made by our brave service men and women.

HONOURING THE SERVICE OF OUR GUNNERS

Federal Member for Hasluck, The Hon Ken Wyatt AM MP recognised the service of all those who have served in the Royal Regiment of Australian Artillery at the annual Gunners Day Parade on Sunday.

"It was a great day to remember those who have served and those who gave their lives protecting our nation" Mr Wyatt said.

"Guildford is the home of the Royal Australian Artillery Association of Western Australia and is where we hold the annual Gunners Day Parade to in their honour.

The Gunners Day service has been held annually since 1928, In memory of those who fought and fell during World War One, and following conflicts.

If anyone would like more information on the history of those who served as gunners, please visit the website of the Royal Australian Artillery Association through the following link.- *http://www.artillerywa.org.au*

Lest we forget.
